Here are Trevor and Linda Perry in San Francisco, having spent last weekend in Ann Arbor, visiting many friends and staying with Stephanie and Dan Smith (Stephanie Lewis when she was here in the early 90's.) They are having a very good time and send their love to us all.

A Handset?

We are the girls of Mellitus road, East Acton and we are the proud possessors of a phone number, and the borrowers of a battered old handset lent to us by the Thompsons. If you have a spare telephone handset sitting somewhere and can let us have it, we would be grateful. Speak to one of us, in person, or drop me an email. Thanks very much. – Christiane Lewerentz

Then Elijah said to all the people,
 “Come near to me.” And all the
 people came near to him. And he
 repaired the altar of the LORD that had
 been thrown down.

We have high quality versions of this photo, taken by Asho, but this is deliberately low quality so we can email the newsletter.

Some of us are looking at the camera, and others are distracted by a latecomer, deciding whether he should run or not!
 There will be more of Asho’s excellent photos on the website soon, when I have reduced the quality to suit the web. The photos are print quality, with lots of detail.
